

Costa Rica Adventures

February (5) 6- 11, 2011

Welcome to Costa Rica, Central America's tropical paradise! Bordered on the north by Nicaragua, on the south by Panama, the Pacific Ocean on the west, and the Caribbean on the east; Costa Rica is peaceful, friendly and safe, exotic and unforgettable. It is also York's exciting destination for February 2011!

It was Christopher Columbus who christened the land Costa Rica (Rich Coast). Little did he know that the Indians had turned most of the gold into jewelry! Today the wealth of this small nation lies in its exhilarating scenery and diverse ecosystems. Packed within its borders are dozens of majestic volcanoes; vast expanses of jungle; several mountain ranges; countless rivers, lakes and waterfalls; 2 peninsulas; and 755 miles of coastline stretched along two oceans.

In Costa Rica, guests of York will experience first hand why the country enjoys international recognition for its National Parks filled with impressive volcanoes, rainforests, coral reefs and virtually any form of nature that you would expect to find in the tropics. You never know when you'll come face to face with whitetail deer, monkeys, sea turtles or some of the 830 species of colorful birds. Costa Rica is truly nature's masterpiece!

Amidst all the splendor, York guests can relax in luxury at the beautiful, all inclusive Paradisus Playa Conchal Resort. It is nestled in the green tropical forest of the North Pacific shores of Guanacaste Province among 2,400 lush acres of woodlands, in an enchanted land where challenging golf meets thrilling eco-adventure. Guests will enjoy an expansive beach, a beautiful free-form swimming pool, a casino, a disco, live entertainment, theme nights, 4 lit tennis courts, 7 superb restaurants, 5 bars, Spa and gym. Of course, all meals and drinks are included. Aren't all inclusive resorts wonderful!?!

Highlights of York's trip to Costa Rica include Junior Suite accommodations, a Welcome Rain Forest Party poolside with Open Bar, Dinner and Calypso entertainment; Breakfast, Lunch and Dinner daily along with Unlimited Drinks and non-motorized Water Sports; and a "Lost in Paradise" Farewell Party complete with an Open Bar, Dinner, and Dance Band.

York is headed for Costa Rica, where the warmth of the tree-lined tropical beaches is exceeded only by the friendly Costa Ricans and their genuine desire to make you feel at home in paradise!
