TRU-POWER

December 5 – 10, 2009

Welcome to Costa Rica, Central America's shining star! Bordered on the north by Nicaragua, on the south by Panama, the Pacific Ocean on the west and the Caribbean on the east; Costa Rica is peaceful, friendly and safe, exotic and unforgettable. It is also True Powers exciting destination for December 2009!

It was Christopher Columbus who christened the land Costa Rica (Rich Coast). (Little did he know that the Indians had turned most of the gold into jewelry.) Today the wealth of this small nation lies in its exhilarating scenery and diverse ecosystems. Packed within its borders are dozens of majestic volcanoes; vast expanses of jungle; several mountain ranges; countless rivers, lakes and waterfalls; 2 peninsulas; and 755 miles of coastline stretched along two oceans.

In Costa Rica, guests of Tru Power will experience first hand why the country enjoys international recognition for its National Parks filled with impressive volcanoes, rain and cloud forests, coral reefs and virtually any form of nature that you would expect to find in the tropics. You never know when you'll come face to face with whitetail deer, monkeys, sea turtles or some of the 830 species of colorful birds. Costa Rica is truly nature's masterpiece!

Amidst all the splendor, Tru Power guests can relax in luxury at the beautiful, all inclusive Paradisus Playa Conchal Resort. It is nestled in the green tropical forest of the North Pacific shores of Guanacaste Province among 2,400 lush acres of woodlands, in an enchanted land where challenging golf meets thrilling eco-adventure. True Power guests will enjoy an expansive beach, a beautiful free-form

swimming pool, a casino, a disco, live entertainment, theme nights, 4 lit tennis courts, 5 superb restaurants, 4 bars, Spa and gym. Of course, all meals and drinks are included. Aren't all inclusive resorts wonderful!?!

Tru Power is headed for Costa Rica where the warmth of the tree-lined tropical beaches is exceeded only by the friendly Costa Ricans and their genuine desire to make you feel at home.
