

# ARGENTINA!

FEBRUARY (19) 20 - 26, 2010

They say "It takes two to Tango"...US Airconditioning invites *YOU to Tango...* with us in the exciting country of Argentina! Magnificent landscapes, traditional gauchos, and passionate couples dancing the tango come to mind, but that is only the beginning! Join us in celebrating the endless treasures of this enticing destination! Our first stop is Buenos Aires, often referred to as the "Paris of the South". BA (as the local's call it) is one of the most sophisticated cities in the world and is strongly influenced by the European culture while still maintaining its Latin charm.

We'll spend four nights at the 5-Star Marriott Plaza Hotel, which is located in the heart of historic sites and trendy boutiques, overlooking Plaza San Martin. Since its inauguration in 1909, this luxury hotel has been internationally recognized for its elegance and prestige. Recently renovated, the hotel continues this tradition. During our stay in BA we'll discover the history of the city; explore the Parana River Delta, a semi-tropical rainforest on a chartered vessel (including possible alligator sightings!); feast at some of the most distinguished restaurants in the city; and experience an authentic Tango Show!

From the cosmopolitan city of Buenos Aires, we journey to the stunning tropical beauty of Iguazu Falls! Located at the border between Brazil, Argentina and Paraguay, Iguazu Falls is considered by many to be the most beautiful and spectacular waterfalls in the world. With over 200 streams appearing from the rainforest to form a myriad of gorgeous falls, it's no wonder Iguazu Falls have been declared a "UNESCO World Heritage Site". Iguazu Falls are the second largest in the world after Victoria Falls in Africa. During our full day tour of the park, guests of US

Airconditioning will see the Falls from privately chartered boats and get close enough to require rain coats! And the Falls are not the only attraction here - we'll be staying at the beautiful Iguazu Grand Resort & Casino. As a member of Leading Small Hotels of the World, the Iguazu Grand, is the most elegant resort in the area. Gracefully furnished rooms with balconies overlooking the lake, exquisite dining, and superb service, along with a full casino and spa make this the perfect choice for our last stop. And the hotel's 18-hole par 72 golf course is only 10 minutes away. So dine, relax, and enjoy!

Pack your bags, pack your dancing shoes, and pack your hiking shoes! From the sidewalk cafes and pulsating nightclubs in sophisticated Buenos Aires to the awesome and stunning beauty of Iguazu Falls we'll be experiencing the excitement of Argentina!
